

PRIVACY POLICY

This privacy policy governs your use of the software application Office Escape Rooms. Our privacy policy may change from time to time for any reason. If we make any material changes to our policies, we will place a prominent notice on our website or application. If you have any questions or concerns about our privacy policies, feel free to contact us at any time at vikdangames@gmail.com.

What information does Office Escape Rooms obtain and how is it used?

Office Escape Rooms does not collect or transmit any personally identifiable information such as your name, Oculus ID, address, phone number or email address. The only data collected by Office Escape Rooms is Unity Analytics, such as what levels are played, and for how long.

How do you handle location data?

Office Escape Rooms does not use or collect any location data related to your geographic location.

Do you share personal information?

As no personal information is collected, transmitted, or maintained, we do not share personal information with anyone.

Do advertising companies collect data?

Office Escape Rooms does not collect any user data other than Unity Analytics, and therefore does not share any data with advertising companies.

Do you use vendors or analytics providers?

No. Office Escape Rooms has no facility for collecting, transmitting, or maintaining user data, so no data is shared with vendors or analytics providers.
